#### 1. Aims

The aims of relationships and sex education (RSE) at our school are to:

- > Provide a framework in which sensitive discussions can take place
- > Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- > Help pupils develop feelings of self-respect, confidence and empathy
- > Create a positive culture around issues of sexuality and relationships
- > Teach pupils the correct vocabulary to describe themselves and their bodies

## 2. Statutory requirements

As a maintained primary school, we must provide relationships education to all pupils under section 34 of the Children and Social Work Act 2017.

We are not required to provide sex education, but we do need to teach the elements of sex education contained in the science curriculum.

In teaching RSE, we must have regard to <u>guidance</u> issued by the secretary of state, as outlined in section 403 of the <u>Education Act 1996</u>.

We must also have regard to our legal duties set out in:

- Sections 406 and 407 of the Education Act 1996
- Part 6, chapter 1 of the <u>Equality Act 2010</u>
- The Public Sector Equality Duty (as set out in section 149 of the Equality Act 2010). This duty
  requires public bodies to have due regard to the need to eliminate discrimination, advance equality of
  opportunity and foster good relations between different people when carrying out their activities

At Beaumont Lodge Primary School, we teach RSE as set out in this policy.

# 3. Policy development

This policy has been developed in consultation with staff, pupils and parents/carers. The consultation and policy development process involved the following steps:

- 1. Review a working group pulled together all relevant information including relevant national and local guidance
- 2. Staff consultation all school staff were given the opportunity to look at the policy and make recommendations
- 3. Parent/stakeholder consultation all parents/carers and any interested parties were given a draft copy of the policy, invited to read the policy and respond with questions and concerns
- 4. Pupil consultation we investigated what exactly pupils want from their RSE
- 5. Ratification once amendments were made, the policy was shared with governors and ratified

#### 4. Definition

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, healthy lifestyles, diversity and personal identity. In the final term of year 6 the children learn about sexual intercourse (see appendix 1 for details).

RSE involves a combination of sharing information, and exploring issues and values.

RSE is not about the promotion of sexual activity.

#### 5. Curriculum

Our RSE curriculum is set out as per Appendix 1, but we may need to adapt it as and when necessary.

We have developed the curriculum in consultation with parents/carers, pupils and staff, and taking into account the age, developmental stage, needs and feelings of our pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so that pupils are fully informed and don't seek answers online.

We will share all curriculum materials with parents and carers upon request.

Primary sex education will focus on:

- > Preparing boys and girls for the changes that adolescence brings
- > How a baby is conceived and born

For more information about our curriculum, see our curriculum map in Appendix 1.

# 6. Delivery of RSE

Our RSE curriculum is taught within the personal, social, health and economic (PSHE) education curriculum through Jigsaw PSHE scheme of work. Biological aspects of RSE are taught within the science curriculum, and other aspects are included in religious education (RE).

Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- > Families and people who care for me
- > Caring friendships
- > Respectful relationships
- > Online relationships
- > Being safe

For more information about our RSE curriculum, see Appendices 1 and 2.

These areas of learning are taught within the context of family life, taking care to make sure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents and foster parents/carers, amongst other structures), along with reflecting sensitively that some children may have a different structure of support around them (for example, looked-after children or young carers).

We will also be mindful of the law and legal requirements, taking care not to condone or encourage illegal political activity, such as violent action against people, criminal damage to property, hate crime, terrorism or the illegal use of drugs.

#### 6.1 Inclusivity

We will teach about these topics in a manner that:

- > Considers how a diverse range of pupils will relate to them
- > Is sensitive to all pupils' experiences
- > During lessons, makes pupils feel:
  - Safe and supported
  - Able to engage with the key messages

#### We will also:

- > Make sure that pupils learn about these topics in an environment that's appropriate for them, for example in:
  - o A whole-class setting
  - Small groups or targeted sessions
  - 1-to-1 discussions
  - Digital formats
- > Give careful consideration to the level of differentiation needed

#### 6.2 Use of resources

We will consider whether any resources we plan to use:

- o Are aligned with the teaching requirements set out in the statutory RSE guidance
- Would support pupils in applying their knowledge in different contexts and settings
- Are age-appropriate, given the age, developmental stage and background of our pupils
- Are evidence-based and contain robust facts and statistics
- Fit into our curriculum plan
- Are from credible sources
- Are compatible with effective teaching approaches
- o Are sensitive to pupils' experiences and won't provoke distress

# 7. Use of external organisations and materials

We will make sure that an agency and any materials used are appropriate and in line with our legal duties around political impartiality.

The school remains responsible for what is said to pupils. This includes making sure that any speakers, tools and resources used don't undermine the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

#### We will:

- > Make appropriate checks and engage with external agencies to make sure that their approach to teaching about RSE is balanced, and it and the resources they intend to use:
  - Are age-appropriate
  - Are in line with pupils' developmental stage
  - Comply with:
    - This policy
    - The Teachers' Standards
    - The Equality Act 2010
    - The Human Rights Act 1998
    - The Education Act 1996
- > Only work with external agencies where we have full confidence in the agency, its approach and the resources it uses
- Make sure that any speakers and resources meet the intended outcome of the relevant part of the curriculum
- > Review any case study materials and look for feedback from other people the agency has worked with
- > Be clear on:
  - What they're going to say
  - Their position on the issues to be discussed
- > Ask to see in advance any materials that the agency may use
- > Know the named individuals who will be there, and follow our usual safeguarding procedures for these people
- > Conduct a basic online search and address anything that may be of concern to us, or to parents and carers
- > Check the agency's protocol for taking pictures or using any personal data they might get from a session
- > Remind teachers that they can say "no" or, in extreme cases, stop a session
- Make sure that the teacher is in the room during any sessions with external speakers
- > Share all external materials with parents and carers

We won't, under any circumstances:

- > Work with external agencies that take or promote extreme political positions
- > Use materials produced by such agencies, even if the material itself is not extreme

# 8. Roles and responsibilities

#### 8.1 The governing board

The governing board will approve the RSE policy, and hold the headteacher to account for its implementation.

#### 8.2 The headteacher

The headteacher is responsible for ensuring that RSE is taught consistently across the school, for sharing resources and materials with parents and carers, and for managing requests to withdraw pupils from non-statutory components of RSE (see section 9).

#### 8.3 Staff

Staff are responsible for:

- > Delivering RSE in a sensitive way
- > Modelling positive attitudes to RSE
- > Monitoring progress
- > Responding to the needs of individual pupils
- > Responding appropriately to pupils whose parents/carers wish them to be withdrawn from the nonstatutory components of RSE

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the headteacher.

#### 8.4 Pupils

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

# 9. Parents' right to withdraw

Parents/carers do not have the right to withdraw their child from relationships education.

Parents/carers have the right to withdraw their child from the non-statutory (non-science) components of sex education within RSE (see appendix 1).

Requests for withdrawal should be put in writing using the form found in Appendix 3 of this policy and addressed to the headteacher.

Alternative school work will be given to pupils who are withdrawn from sex education.

# 10. Training

Staff are trained on the delivery of RSE as part of their induction and it is included in our continuing professional development calendar.

The headteacher will also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

# 11. Monitoring arrangements

The delivery of RSE is monitored by the PSED curriculum team through planning and work scrutinies, pupil interviews and learning walks.

Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.

This policy will be reviewed by Mrs Victoria Smith (SLT & PSED team facilitator) annually. At every review, the policy will be approved by the governing body.

# Appendix 2: By the end of primary school pupils should know

TOPIC	PUPILS SHOULD KNOW			
Families and people who	That families are important for children growing up because they can give love, security and stability			
care about me	The characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives			
	That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care			
	That stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up			
	That marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong			
	How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed			
Caring friendships	How important friendships are in making us feel happy and secure, and how people choose and make friends			
	The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties			
	That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded			
	That most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right			
	How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how to manage these situations and how to seek help or advice from others, if needed			
Respectful relationships	The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs			
	Practical steps they can take in a range of different contexts to improve or support respectful relationships			
	The conventions of courtesy and manners			
	The importance of self-respect and how this links to their own happiness			
	That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority			
	About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help			
	What a stereotype is, and how stereotypes can be unfair, negative or destructive			
	The importance of permission-seeking and giving in relationships with friends, peers and adults			

TOPIC	PUPILS SHOULD KNOW
Online relationships	That people sometimes behave differently online, including by pretending to be someone they are not
	• That the same principles apply to online relationships as to face-to face relationships, including the importance of respect for others online including when we are anonymous
	The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them
	How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met
	How information and data is shared and used online
Being safe	What sorts of boundaries are appropriate in friendships with peers and others (including in a digital context)
	About the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe
	That each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact
	How to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know
	How to recognise and report feelings of being unsafe or feeling bad about any adult
	How to ask for advice or help for themselves or others, and to keep trying until they are heard
	How to report concerns or abuse, and the vocabulary and confidence needed to do so
	Where to get advice e.g. family, school and/or other sources
