Dear Parent / Guardian / Carer

School Meal Charges:

As you may be aware, Beaumont Leys School provides a catering service for your child's school. We have held the price of our school meals for a number of years now. However, despite our best efforts the current £1.90 cost no longer meets the increase in food and staffing costs. Therefore, we can no longer avoid increasing our meal prices.

As a result, the cost of our lunchtime meals will increase by 10p, from £1.90 to £2.00, from August 2024. The price increase still provides good value for money and our prices remain lower than many other schools in the area whose prices range from £2.20 to £2.40.

We remain committed to providing a quality service and healthy meal to your child at lunchtime and we will continue to work in close partnership with your school to ensure we achieve this.

If you think you may be entitled to free school meals, have any questions or need support with your application, please email: education-fsm@leicester.gov.uk or call 0116 454 1009 (option 3).

Thank you for your continued support.

Yours sincerely,

Jayne Bickmore
