

At Beaumont Lodge Primary School, we are Sports people! We want our children to develop a love of physical education and sport. We believe it is important that children understand the benefits of being physically active and that where possible, barriers to participation are broken down to encourage all children to lead a healthy and active lifestyle. By providing a broad, balanced and progressive curriculum with extra-curricular activities that are tailored to all children, they will have the motivation, confidence and physical competence to find a sport they are both successful in and enjoy. This will result in children gaining a sense of belonging when playing as part of a team and produce healthy active children. Children will develop their physical and social skills when applying these in a competitive situation. They will learn how to win and lose and develop a sense of pride. We want them to have no limits to what their ambitions are and grow up with the belief that they could become personal trainers, nutritionists, sports journalists or gold medal winners. Our intention is to develop a lifelong love of physical activity, sport and PE.

What is the Sports' Premium?

The school sport and activity action plan sets out the government's commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day. It recommends 30 minutes of this is delivered during the school day (in line with the Chief Medical Officers guidelines which recommend an average of at least 60 minutes per day across the week).

The PE and sport premium can help primary schools to achieve this commitment, providing primary schools with £320 million of government funding to make additional and sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets. It is allocated directly to schools, so they have the flexibility to use it in the way that works best for their pupils. Schools must use the funding to make additional and sustainable improvements to the quality of the PE, physical activity and sport they provide.

Swimming Data

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021. Please see note above	70%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	30%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	30%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes
