Wednesday 04th May 2022

Dear Parents/Carers,

Year 3 - New Topic - Ancient Egypt.

This term our new topic is Ancient Egypt and therefore we would like to hold an Ancient Egyptian day on Wednesday 18th May 2022.

If your child wishes, they may dress up in Ancient Egyptian style clothing for the day, usually this consisted of white/cream tunics with accessories such as necklaces and headdresses. We will share some ideas with the children in class about how they could dress for the day.

The day will consist of Ancient Egyptian themed lessons and activities such as learning about the mummification process and what life was like for the Egyptians. Following this, we will have an art based activity of making a model shaduf for this, please could we ask that you bring in an empty, clean yoghurt pot.

To finish the day, we will have an Ancient Egyptian feast where we will try some of the foods which the Egyptian's used to eat.
Please let us know if you have any queries about the day.

Many thanks,

Miss Harris and Miss Jones
Year 3 Class Teachers
